EXPERIENCE

Royal Bank of Canada
Software Engineering Intern
May 2026 - Present

Built and deployed a **patent-pending**, blockchain-based foreign exchange platform projecting **$302M** in revenue by year 5 and cutting trade settlement from **T+2 days to seconds.** Secured executive buy-in from RBC's CTO and Head of AI, placing 1st of 19 teams ($20K).

Canadian Imperial Bank of Commerce
Software Engineering Intern
May 2025 - Aug 2025

Designed and built **7** ETL pipelines processing **25M+** daily transactions, automating **80%** of error handling and cutting manual intervention from **10** to **2 hrs/week** to support CIBC's transition to customer-centered card promotions.

Autumn
Product Design Intern
May 2024 - Aug 2024

Designed the **V1 article hub from 0→1**, driving **36%** of new users, a **19%** increase in site clicks, and a **12%** conversion rate to the main product. Built a scalable framework for geographical expansion.

The Residency
Design Lead
Jun 2024 - Nov 2024

Spearheaded a new standardized design system and brand guidelines in Figma, achieving a **92%** adoption rate across 12 team members in 4 months. Reduced designer onboarding by **57%**, from 1 week to 3 days.

LEADERSHIP

Hack Western
Design Lead
Feb 2025 - Present

Championed design strategy and user experience for **1500+** hackers around the world at one of Canada's largest student-run hackathons. Collaborated with engineers from ideation to launch.

Framer
Campus Ambassador
Dec 2025 - May 2026

Led event planning and teaching for Framer web design workshops, bringing **500+** students to design and launch personal websites.

Ivey Product Society
Product Management Fellow
Nov 2024 - May 2025

Redesigned Google Calendar's task scheduling feature by introducing subtasks, file attachments, and task-event linking. **7/8** users preferred the update. Delivered MVP to **10+** representatives from Google, Microsoft, Shopify, DoorDash, Intuit, and more.

Product Design Sprint
Co-chair
Sep 2023 - May 2025

Established the design system and brand strategy for a **500+** member club, then co-chaired Product Design Sprint – Western's largest design competition, drawing **300+** global attendees

PROJECTS

Retrospect
Aug 2024 - Feb 2025

Designed a social mobile time capsule app from **0→1** where users collaboratively save memories, reaching **2,000+** impressions.

unfollowed.lol
Mar 2024 - May 2024

Designed a Google Chrome extension that analyses Instagram follower data, reaching **3,000+** downloads and **100+** daily users.

EDUCATION
